BC.1/Circ.74/Corr.2
18 July 2022

**CONTACT NAMES AND ADDRESSES OF THE OFFICES OF DESIGNATED
NATIONAL COMPETENT AUTHORITIES RESPONSIBLE FOR THE
SAFE CARRIAGE OF GRAIN AND SOLID BULK CARGOES**

1 Annexed* is a revised list of contact names and addresses of the offices of designated national competent authorities of Member States' Administrations responsible for matters relating to the carriage of grain and solid bulk cargoes.

2 This circular amends BC.1/Circ.74/Corr.1.

3 The Secretariat will discontinue amending and issuing this circular, moving the information to the GISIS system. The new GISIS platform allows Member States to upload and update information related to the IMSBC Code for sharing. Henceforth, Member States are encouraged to upload and update, as appropriate, their contact information in the relevant sections of the new module.

4 Access to this function is available to authorized users with a valid IMO Web Account. For each Member State, only the designated Administrator has the authority to create or amend entries, to minimize possible duplication of information. Brief instructions on how to manage the data on the GISIS website are set out in the annex to CCC 8/17/3.

* Annex in English only.
