MSC.1/Circ.1164/Rev.21  
8 July 2019

**INTERNATIONAL CONVENTION ON STANDARDS OF TRAINING, CERTIFICATION  
AND WATCHKEEPING FOR SEAFARERS (STCW), 1978, AS AMENDED**

**Promulgation of information related to reports of independent evaluation submitted  
by Parties to the 1978 STCW Convention, as amended, confirmed by the  
Maritime Safety Committee to have communicated information which  
demonstrates that Parties are giving full and complete effect to the  
relevant provisions of the Convention**

1 The Maritime Safety Committee (MSC), at its 101st session (5 to 14 June 2019) and previous sessions, received reports by the Secretary-General pursuant to regulation I/7, paragraph 2 of the 1978 STCW Convention, as amended, related to the reports of independent evaluation carried out pursuant to regulation I/8, paragraph 2.

2 The Committee noted that, in preparing the reports required by regulation I/7, paragraph 2, the Secretary-General had solicited and taken into account the views of competent persons selected from the list established pursuant to paragraph 7 of section A-I/7 of the STCW Code and circulated under MSC/Circ.797, as revised from time to time.

3 In accordance with STCW regulation I/7, paragraph 3, the Committee confirmed that the STCW Parties listed in the Secretary-General's report, which had communicated their report of independent evaluation pursuant to regulation I/8, paragraph 3, demonstrated that they were continuing to give full and complete effect to the relevant provisions of the 1978 STCW Convention, as amended.

4 The list in the annex contains those STCW Parties, confirmed at various sessions of the Committee to have communicated information pursuant to STCW regulation I/7, demonstrating that they were giving full and complete effect to the relevant provisions of the 1978 STCW Convention, as amended, and indicating:

- .1 due date of next report of independent evaluation;
- .2 date of report of independent evaluation communicated to the Secretary-General, if applicable; and
- .3 outcome of the Committee's consideration of the Secretary-General's report on the evaluation of information communicated by STCW Parties pursuant to regulation I/8, paragraph 3, of the 1978 STCW Convention, as amended.

5 As the process of communicating and evaluating information related to reports of independent evaluation is continuing, the list in the annex may be updated at subsequent sessions.

6 The Committee draws the attention of maritime administrations, shipowners, ship operators and managers, shipmasters and other parties concerned to the following:

- .1 not all of the STCW Parties listed in the annex provide seafarer training, and some of those Parties listed may only provide a limited range of training; and
- .2 the fact that a Party is listed in the annex does not relieve those concerned of their obligations under the 1978 STCW Convention, as amended.
